Termly speaking and listening presentations.

Reading record – at least 3x a week - parents to sign once a week. Hand in on Mondays.

Reading – both fiction and non-fiction – library

Reading Scrapbook.

Times Tables – TTRS, Hit the Button

Year 5 Autumn Homework Grid

<u>Wider World</u> • If you were to host a charity event, what activities would you do to raise money? Design a poster to promote your event. • Learn how to sign your name using British Sign Language. • Learn to say 'hello, goodbye, please and thank you' in a different language (not French!)	<u>Maths</u> • Choose 5 items from a shopping receipt and use column addition to find their total. • Find out measurements for: a bag of sugar, an apple, a bag of flour, a box of cereals, a can or bottle of drink and 10 other objects. Record them in your book and see if you can spot any patterns or anything interesting? • Use a dice to work on multiplying and dividing by 10, 100 and 1,000. You could start with a 2, 3, 4 or 5-digit number - you choose!	<u>PE</u> • Do a Joe Wicks HIIT workout (The Body Coach on YouTube). Can you design a HIIT workout of your own? • Practise running for 10 mins a day (or longer if you like) and see if you can get faster or run further by the end of the week. • Create a poster to encourage other pupils to exercise or try a new sport!
<u>Arts</u> • In music we will be learning the song 'Livin' on a Prayer' by Bon Jovi. Listen to some other Bon Jovi songs - which ones do you like and why? Write down some of your favourite lyrics. • Create a fact file for William Morris. • Imagine you are going into battle with Athens. Design your own Spartan shield.	<u>English</u> • Take a photograph of yourself reading your favourite book. • Design a new cover for your favourite book. • Write a short story.	<u>Citizenship</u> • Plan a party for 10 people. Your budget is £30. Find out the prices and make a list of the food you can buy. • Learn to play a new board game or card game. • Perform a random act of kindness for a friend or member of your family. Write about what you did and how they reacted.
<u>Topic</u> • Design a poster or create a leaflet to show what you know about earthquakes. • Research and cook a Greek dish. Write the ingredients and method. Take a photograph of you sharing the finished dish with your family or friends. • Find out about the Ancient Greek gods and goddesses. Make a fact file to share with the class.	<u>Me</u> • Using your name, write an acrostic poem to tell us a little bit more about yourself. • Find a picture of someone you admire. Write a paragraph to explain who they are and why you have chosen them. • Set yourself 3 goals for the year ahead. What small steps will you need to take to meet those goals? How will you know if you've been successful?	<u>Science</u> • Find out the story of one of the constellations. Draw the constellation and re-tell the story so that we can share it. • Create a poster about the planets and try to remember the order they go in from the Sun. • Investigate a mission into Space. You could find out about Tim Peake or Airbus's Mars Rover! Write a short report about what you find out.

Rewards

- ▶ Whole class rewards
- ▶ Stickers
- ▶ Housepoints and certificates
- ▶ Role model award
- ▶ Writer of the week
- ▶ Notes /phone call home
- ▶ Golden Time

What changes are there for Year 5?

- ▶ Becoming more independent learners
- ▶ Taking more responsibility
- ▶ Becoming more resilient
- ▶ Helping others
- ▶ Pupil Leaders – sports leaders, friendship leaders, school council and eco warriors

What do we do in Year 5?

- ▶ Timetable
- ▶ Yearly Curriculum Overview
- ▶ Events / trips

Timetable

Day	8.45-8.55	8.55-9.20	9.20-10.20	10.20-10.40	10.40-10.55	10.40-12.20		12.20-1.15	1.15-3.20
